**RE: PROPOSAL FOR COLLABORATION**

Dear Mr. Whitfield,

Thank you for your letter of 18 August and for the confidence you have shown in our work. We have reviewed the material you sent with great interest, and I am writing to confirm that we would be pleased to explore a collaboration along the lines you propose.

We believe the project fits naturally within our current activities. Our design team can begin the preliminary study in September, provided that we agree on scope and deliverables before the end of August. To that end, I suggest a meeting in the week beginning 7 September, at our Stockholm office or by video call, whichever suits you best.

To make the meeting as productive as possible, I attach a short outline of how we envisage the first phase, together with an indicative budget. Naturally, both documents are open for discussion; they are intended as a starting point rather than a position.

I look forward to hearing from you. Should you have any questions in the meantime, please do not hesitate to call me directly.

Yours sincerely,
